

A stylized illustration of a nativity scene. In the foreground, three camels are silhouetted against a bright light source, likely the sun or moon, as they travel across a desert landscape. In the background, a city with a prominent domed building is visible. To the right, a stable structure contains silhouettes of the Virgin Mary, the infant Jesus in a manger, and a shepherd with a staff. A large, bright star with a long vertical tail is positioned in the upper right corner of the sky. The entire scene is set against a dark, starry night sky.
